THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) Yes, Sir.

(b) No, Sir. However, Government of India provided assistance to the State Governments/UTs under comprehensive Macro Management Scheme for development of Agriculture including Horticulture, which included floriculture, up to the year 2004-05. The scheme provided flexibility to the State Governments to take up programmes and fix targets as per their felt needs and requirements according to their Work Plans. After the launch of National Horticulture Mission (NHM) during financial year 2005-06, the programme for Horticulture in Macro Management Scheme subsumed with National Horticulture Mission. The National Horticulture Mission addresses the issues related to production and productivity of Horticulture Crops including floriculture crops and provides assistance for improving production on floriculture crops.

In the North East and Himalayan States of the country, the Technology Mission for Integrated Development of Horticulture for North-Eastern States and Himalayan States (TMNE), provides assistance for production of horticulture crops including floriculture crops.

Government had also approved setting up of six Agri Export Zones (AEZs). The details of these AEZs are as under:
